About KBTU

Kazakh-British Technical University is one of the leading technical universities in the region. We work in the partnership with the global academic community, corporate and public sectors on fundamental values of quality, academic integrity, honesty, openness.

Internationalization is one of the priorities of KBTU's strategy. We have established partnerships and cooperation with the best world universities, such as the University of London, Harvard Business School, Kyoto Institute of Technology, Russian State University of Oil and Gas named after V.I. Gubkin, University of Reading, University of Northampton, Kozminski University and many others.
