	Faculty of Arts and Sciences	UNIVERSITY OF STUTTGART	D STUTTG01	Germany	2	2		275	N/A	N/A	TEACHING	B2 ENGLISH OR B2 GERMAN	From the academic year 2025/26, participation in our intensive German Course (IGC, in March/September) won't be mandatory anymore for students without German knowledge at all. If they want to attend only English-taught courses or want to write their thesis in English. Participation in the intensive German Course remains mandatory if students want to attend German-taught courses and have less than B1 in German by the application deadline. We highly recommend participation in our IGC to all students since it gives the opportunity to learn the language and the culture of the country where they will spend some months. It is much cheaper than every German course in private language schools and also allows coming to Stuttgart one month before the semester starts and to take care of all formalities before classes begin.

425	Faculty of Law	Law	GEORG AUGUST UNIVERSITÄT GÖTTINGEN	D GÖTTING01	Germany	3	3	3	N/A	N/A	N/A	N/A	<p>Please note that: the number of students each institution will send may by no means exceed the number of students mentioned in this agreement. More specifically shorter periods of stay do not allow for the sending of more students, i.e. on an exchange of 1 student for 10 months, a partner cannot send 2 students for 5 months, not even if their stay covers different semesters. The numbers of months a student the partners have agreed on are fixed. An extension of stay is only possible when, e.g. a student is nominated for 5 months, but the partners have agreed on an exchange of 1 student for 6 months. Students should apply early in advance for an extension of stay, at least one month before the regular stay ends. A written acceptance of both partners (incl. International Office) is mandatory and should not exceed the number of months agreed per students. Each party will take this into consideration when organizing student selection.</p>
